SUBJECT: Fall Schedule Now Available

MESSAGE: Jive families!

Welcome to summer classes!! We hope you all enjoy dance while there is less going on with school and while the sun is shining!!

We are excited to post our FALL schedule. Please look at it carefully and not confuse it with our summer schedule.

Fall Schedule: <http://www.jivellc.com/riv/rivclasses.pdf>

We are posting it now so everyone can make their fall plans because we realize schedules fill up quickly. (We have sent out invitation emails to all dancers invited to be on a company in the fall. If you did NOT receive one of these emails, but believe you should have, please let us know!)

Those of you enrolled in summer classes will get priority registration. You will get to register for fall classes one week before everyone else.

We will keep you informed about when registration will open for summer dancers as well as non-summer dancers. Check your email as we will register sometime early July (date is still to be determined).

As always, thanks for your continual support in referring dancers to our growing studio. We appreciate you and are happy that we get to thank you through our referral program! <http://jivellc.com/referraldetails.pdf>

SUBJECT: Summer Schedule (Link at Bottom of this E-mail)

MESSAGE: We realize that summertime is filled with spontaneity and fun. We want to support the easy schedules of summer that we all need and love yet still provide a way for you to attend class with little stress. To make things stress free we have structured summer classes in a way that creates value for you while catering to your spontaneity. **For the same tuition amount that is offered during the school year, dancers can attend unlimited classes during the summer.** If you miss two weeks for vacay, no problem, you can attend any and all classes for your age group all summer long. You don't need to contact us, just show up and dance!

Registration is easy and just helps us manage class sizes and keep track of all the dancers. **Remember, dancers can attend any classes they want in addition to the class they register for.**

Summer Registration Link: <https://goo.gl/forms/grwsp1G5JMIGnbk83>

We assume dancers are staying in class over the summer unless we are informed otherwise. Company students must remain enrolled AND ATTEND in order to keep their standing in the company.

No classes will be held on Monday, May 28- Friday June 1 for Memorial Day and summer break.

We will begin the summer schedule on June 4, 2018. If you have friends who have wanted to enroll, summer is the best time because they can attend many classes per week for a low price and get up to speed with what we do. In addition, those who are enrolled in the summer get to register for fall classes one week before we open it to the public.

We have implemented a sweet referral program that pays you cash when you send people our way!! This is how it works: <http://jivellc.com/referraldetails.pdf>

Taking unlimited classes this summer is covered by your regular tuition payment, so PLEASE take advantage and increase your skills over the summer.

We are offering some fun Jive swag for those who like to represent, stay tuned for what's available.

Register for summer classes here!

SUBJECT: NEW! Cash from Jive for Referring Friends

MESSAGE: Hello Jive families!! We are so excited to be the fastest growing dance studio in Utah!

We have a very specific growth goal at our 4 locations and want to thank you for being such an important part of helping us reach that goal.

As you are all part of our Jive Family already, we don't need to convince you about the experience you receive when you or your dancer joins our studio. We are hoping you will continue to spread the word as our biggest advocates!

We now want to thank you by rewarding you with CASH when someone you refer signs up at a Jive studio!! We know you have been spreading great messages about Jive without any reward and for that we are so appreciative. Please allow us to now show our appreciation in a new way.

This is how it works: <http://jivellc.com/referraldetails.pdf>

SUBJECT: Concert Week Rehearsal Schedule 2018

MESSAGE: Included at the bottom of this e-mail is a link to the schedule for all Riverton Jive rehearsals that will be held at the Covey Center on May 21-22, 2018.

Dress Rehearsals: All the rehearsals the week of the show will be held at the Covey Center in **full costume and makeup**. Please have your dancers arrive in costume with a cover up to keep things running quickly and smoothly. Please be sensitive and respectful to all the Covey Center rules to help us keep the good reputation that we have earned with the staff.

The purpose of these private dress rehearsal is to help all dancers get acquainted with the stage before their big performances on May 22nd or May 23rd at 5pm and 7pm. If you don't know what concert day your dancer is in, please view the cast schedule here: <http://www.jivellc.com/riv/rivconcertcast.pdf>

If you are new to the studio, chat with other parents who were with us last year to help you understand how concert week is structured.) If you have additional questions, please feel free to email us.

Class Photos: Professional photos will be held directly following each 30-minute private rehearsal. Please plan to stay for them. You are not required to purchase these photos, but we would love to have the entire class in them.

Videography: The private rehearsals is the BEST TIME to video your dancer so that you don't distract during the live shows.

There will be a professional DVD offered for sale with two views of the show.

Concert Day Chaperones: We will post a sign-up sheet for chaperones to sit backstage with the younger classes. Please sign up. We can't leave our little ones backstage without an adult to watch out for them. You won't need a ticket for that

showing, as you can watch your dancer from the wings (unless you want to go back into the theater after they have danced to watch the remainder of the show - in that case, you do need a ticket).

Please encourage your dancers to practice at home. You can't believe what a difference we see in the students who have been working outside of class.

We are extremely pleased with the growth of our new Riverton studio. Thank you so much for recruiting family and friends to join us. Thank you for trusting our processes and culture. We love and appreciate you!

SUBJECT: Jive Music Download for 2018 Concert

MESSAGE: For all Jive families, below is a link to the music for our 2018 concert.

As always, the chapter markers are slightly rolled back into the previous song in order for practice of quick transitions. What this means is that if you for example play song #47 which is the finalé, you will hear the final 10 seconds of song #46 that you won't recognize as the finalé but it will seamlessly transition to the finalé music.

The link has both Orem and Riverton Jive shows. Make sure you choose the appropriate download for your studio as the shows are slightly different.

When you open the link you just need to download it, double click on the ZIP file and it will unzip it and store it on your computer. You can then drag any MP3 you would like into iTunes or any other MP3 software to play on your phones.

Please practice often and most importantly have tons of fun learning and perfecting your dances!!! We love this show so far and we are excited every time we walk in the studio to teach a new section!!!

SUBJECT: Concert 2018 Fees and Information

MESSAGE: The Jive staff is excited to begin the concert process for 2018. For those of you that are new to the studio, we are so excited for you to see the process in action! Our Spring concert is unmatched in quality and entertainment. The total show is NEVER longer than 1 hour and 20 minutes and there are zero breaks in the show (meaning no blackouts, no time between dances—it's completely seamless). The costumes are high quality, modest and age appropriate. The music is professionally cut and rendered. The venue is amazing. ETC ETC!

The 2018 Jive Concert will be held at the Covey Center for the Arts in Provo. We have been searching for a venue closer to Riverton that can house us and haven't found anything that meets our needs. (We realize Provo is a little farther than is ideal; however, it's the closest venue that is professional and updated enough for our show. We feel it's worth the extra minutes driving!) Please mark your calendar for the following dates!

May 21, 2018 (One 30-Minute private class rehearsal on the stage)

May 22-23, 2018 (Two back-to-back performances each evening) Don't worry, we have a plan for the babies. They will only dance in 2 shows on one of the nights, not all 4 shows. More on that to come :)

We want to provide some information to help the process go as smoothly as possible. We know that some of you have experience with our concert process and totally understand and trust what we are doing. Others of you are new and want to understand. If you need clarification about what concert fees are and what they pay for, please read the note at the bottom of this e-mail.

EVERYONE please use the following link to view individual class fees for the show. THIS YEAR Concert fees are due by DECEMBER 15, 2017. Thank you for helping us cover our huge concert expense by paying on time.

Concert Fees Per Class Link: <http://www.jivellc.com/riv/concertfeesriverton.pdf>

If you need to split up this payment, please feel free as long as THE TOTAL AMOUNT DUE IS PAID BY DECEMBER 15, 2017. It helps us when you WRITE SEPARATE CHECKS FOR TUITION AND COSTUMES. You can always use our PayPal link to pay for tuition or costumes.

WHAT CONCERT FEES PAY FOR

As some of you have heard us say, costuming is the most challenging part of this process. Imagine trying to please well over 400 dancers AND their parents on style, color, price, modesty AND at the same time, find costumes that are artistically and age appropriate and available in the variety of sizes that are required in a single class!! It is a challenge. We order such large quantities, that we must order by January to ensure they arrive by April to be ready for May. For those dancers who are still growing, it's very hard to anticipate growth from December (when we measure) to May (when they are worn). Please know that we do our best to guess correctly. But often it's off, somewhat. We apologize for that.

There are many expenses involved in putting on the type of professional concert that we do at Jive. The music is a huge project. It is professionally digitized with cuts, blends, edits, equalization and so forth. If you've ever been to a show with low quality music, you can appreciate the time and money put forth to spare our audience the pain of loud but low-quality music. Our video walls and special effects cost time and money to produce. We also have the cost of unique props, precise and detailed lighting, reliable and competent stage crew, and hours upon hours of theater rental for rehearsals. To make it possible to produce the show, everyone pitches in. The concert fee is \$72 per dance that the dancer is in. A portion of the \$72 pays for a costume and a portion covers the above expenses. Ticket sales (\$5 to \$11 each) are also required to fund our show. Thank you for supporting this process and understanding that we are ALL part of the reason our show ROCKS!! We are looking forward to a great year with you and your dancers.

Thank you to all the Jive families for supporting this process!

SUBJECT: Concert DVD Information

MESSAGE: We are still in such a high from our incredible weekend with all of you. We are loving the DVD.

For those who want the DVD PLEASE look at the form we sent to you and contact the videographer directly rather than sending forms and money to Jive. If you've already given Jive your order form, we will make sure it gets to Brian.

Thanks for going directly through Brian from this point forward in order to expedite the process.

Thanks and see you soon!
